

## STATIONERY

**A STEADY STREAM**  
of stationery and office supplies flows from the store to our customers, and another stream replenishes the stock. This is kept up to a condition where betterment is impossible.

**STATIONERY**  
from the best manufacturers in each line fills our shelves, and little money will transfer the ownership. The proof of the value is in the quality.

## MUST BELIEVE IT

When Well-Known Barre People Tell It So Plainly.

When public endorsement is made by a representative citizen of Barre the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man, woman or child with any kidney trouble will find profit in the reading.

C. A. Churchill, contractor and builder, residence 40 Merchant street, says: "I gave an endorsement for publication in our Barre papers in the winter of 1897, which stated that Doan's Kidney Pills, sold at E. A. Brown's drug store, had acted with me as represented, and I recommended them to any resident needing a remedy for his kidneys. Since that time I have had no reason to change my opinion and you are welcome to again use my original endorsement so that others may know what to do if annoyed with a steady pain across the back like I had for two years—one that prevented me from remaining in any position for any length of time, which was always noticeable in the morning and caused me annoyance to dress myself, for which I used physicians' treatments and a great many medicines, but never received any permanent benefit. I cannot remember whether I took two or three boxes, but this I know, I have never had occasion to use the preparation since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name, Doan's, and take no other.

## 180% PAID TO INVESTORS.

The Peacock Valley Mining Company has paid its stockholders 180 per cent in dividends and is now paying out of earnings 20 per cent monthly. The Fitzer Land & Mining Company, organized in January, 1905, with \$30,000 capital stock has earned to date over 16 per cent. The Seion Zinc Mining Company—a new property in which stock is now being offered to the amount of \$25,000—is more promising than either of the above companies were. Stock is offered at par, \$10.00 per share to investors.

A prospectus will be mailed upon application. If you have money to invest, it is worth your while to consider a zinc investment when the company is capitalized upon a conservative basis and under good management. Write or call.
